•How do smart students
learn math?

Tutors and teachers at the
Math Lab give you free help!

Free tutoring is available for students enrolled at WSU in Math 011-123, 144, 242, and often Stat 370. The lab is also a comfortable, bright place to study and learn!
Find people who can help you!

“Don’t be afraid—
371 is so special!”
